College Welcomes Grads to Annual Homecoming

Alumni and former students will return to Cedarville College October 4 to recall old times, watch the Yellow Jackets meet Canterbury College, and see the progress their alma mater has made during the past year.

A banquet scheduled for 6:30 in Alford Memorial Gymnasium is one of the highlights of Saturday's program. A record number is expected for the annual event.

First on the homecoming program will be the Canterbury Cedarville match at 2:15 on Cox Field, Xenia. With the teams rated on an even par, a good game is in prospect. The football fans will see the formal presentation of the homecoming queen and her attendants in a ceremony planned by the student council. Picked by popular vote as queen, Mrs. John J. Cheek will be attended by Miss Bernice Knecht and Mrs. Carl Watkins.

Mrs. Cheek, an attractive brunette, is a second semester freshman at Cedarville majoring in secondary education. The only woman veteran on the campus, she saw service in New Guinea and the Philippines for a total of three years with the WACs. Mrs. Cheek is the daughter of Mrs. Anna Oncha, Mount Union, Pa. Her husband is a native of Lewis-town, Pa. and a sophomore at Cedarville. The homecoming queen's special interest in physical education started in high school where she was active in several organizations. She plans to teach physical ed on completion of her training here.

Another brunette, Miss Bernice Knecht, of Jamestown will serve as attendant to the queen. Miss Knecht is a junior at Cedarville and well-known for her work in the college "co-op" store. The students picked another campus wife, Mrs. Carl Watkins, as the third attendant. To alumni she is probably better known as Donna Thompson for her marriage was an event of the past summer.

A student council sponsored dance in the Cedarville High School Gymnasium will end the Homecoming Day program.

The merchants of Cedarville have been asked by the college to decorate their places of business in competition for the homecoming plaque. It was won last year by the Cedarville market.

Ash to Speak At College Chapel Series

Cedarville's chapel programs have been revised this year to provide more time for visiting speakers. The hour from 11 to 12 on Monday and Wednesday has been reserved on the schedule for the devotional period.

The fall semester's chapel theme centers on the great fundamentals of the Christian faith. The Rev. Hugh F. Ash, Jr., of the First Presbyterian Church in Xenia will begin the series on October 15. His talks on "What Can I Believe" are scheduled for the 15th and 22nd of October, and November 5 and 19. Other speakers are being invited for the remaining weeks of the semester.

It is planned that one meeting each week will be devoted to the general theme selected and the other period will be given to programs by student groups and visitors representing various professions.

H. C. Stoneburner Has Medie Degree

Dr. Harry C. Stoneburner, who graduated from Louisville Medical School, Louisville, Ky., last Saturday, will begin a year of internship at Miami Valley Hospital, Dayton, Oct. 1.

Dr. Stoneburner attended Spring Valley High School and received his pre-medical training at Cedarville College and Ohio State University. The son of Mr. and Mrs. R. Roy Stoneburner, Spring Valley, he plans to practice medicine in that community.

College Farm Aids in Grain Conservation

"We shall cooperate fully with President Harry Truman's request that we conserve food in view of the critical world situation," President Ira D. Vayhinger of Cedarville College which owns and operates a 200 acre farm near here, declared today.

In fact the college head pointed out that for the past four years the college farm has set a new pace in this area in the conservation of grain in the fattening of beef cattle in face of the fact that Greene County is a grain fed area.

"We have just fattened 64 head of Hereford cattle and 24 of them have been sold without the use of corn at all," he declared. He explained that the cattle averaging now 750 lbs. a piece have been fattened entirely on hay and pasture. "I want you to note however, we heavily fertilize our pasture and practice the four year rotation plan corn, wheat and pasture, it can be done."

"In reality the corn fed cattle idea goes straight back to the night club philosophy of New York where the sky is the limit for a steak. The average man cannot afford those prices and pasture and hay fattened cattle comes more within the ken of the average man," he stated.

"Our herd of beef cattle will stand inspection and in fact the public is invited to look them over for they are sleek and fat and yet have never even had a bite of corn," he said. He also indicated that several neighboring farmers after fattening with corn for years are beginning to study the college method.

President Vayhinger said I believe that we must remember that we live in a world and our happiness and security rest on world conditions, and I believe that as far as the fattening of beef cattle is concerned this method alone can greatly help in the matter of grain conservation."

Society WSCS

Twenty-five members of the W. S. C. S. of the Methodist Church, met at the church Wednesday, Mrs. Jane Mills led devotions, he said, one of four rooms broken into. The others entered were the principal's office, home economics room and the athletic supply office.

The thieves were interested only in money, Mr. Boyer believed since nothing was disturbed in the other three rooms.

Entrance was gained through several smashed windows, it was indicated. Deputies Fred M. Lewis and C. P. MaHanna investigated.

Hefty Line to Be Featured by Canterbury

The Canterbury College Knights from Danville, Indiana, will invade Cox Field October 4 to clash with the Cedarville Yellowjackets in the annual Homecoming contest.

Last season the Jackets gained a hard earned victory over Canterbury, 14-6. With fourteen returning lettermen, including two pre-war players, the visitors are counted on an even par with the Cedarville eleven.

In weight, the Knights have an edge particularly in the positions where it can mean most. The line averages 200 compared with last year's 185. George Thompson, guard, is back after winning a first string place on the All-Indiana Conference mythical squad last season.

Like Cedarville, Canterbury depends on freshmen to fill some of the starting spots as well as substitute for the more experienced gridsters. In the backfield, Fred Jurisch, William Volk, Gerald Burton, and Raymond Crouch, all saw action against Cedarville last year but Coach Glenn Johnson may pick one or more freshman backs for Saturday's tilt.

In the backfield for Cedarville will be quarterback Ernest Foster and fullback Ben McNulty, both returners from the '46 squad that beat Xavier University's B team in the last homecoming game. Coach Beattie has used two freshmen, Don Barger, left half, and Eldon Grothwohl, right half, to complete the backfield. Mamon McQuillan has seen action in the past two games at fullback and Robert Burt at right half back.

The Jacket backfield, at an average of 170, is about equal in weight to the Canterbury backs. On the line, Cedarville's starting combination hits between 185 and 190. "Chink" Jewell, left guard, will be remembered by last year's homecoming fans. Rollie Barton, center, is with the Jackets for the second year. Michael Morrison, left tackle, is another returner. Ernest Stanley and Forrest Mpler, freshmen, have been at the end positions in the two previous games. Frank Rudy has seen action at center, Andy Lambros at guard, and Gene Cullies, right tackle.

Frequent substitutions have been used by Coach Beattie thus far in the season. Bud Shaughnessy, back; Harold Machamer, end; Eugene Judy, end; and Don Wheaton, back, are all second-year men with the Jackets.

Advance information indicates that the Knights are using a modified "T" this season.

Cedarville School Cafeteria Robbed

A burglary at Cedarville high school, last Thursday night, netted \$10.50 in change according to Supt. Walter W. Boyer. The money was taken from the cafeteria, he said, one of four rooms broken into. The others entered were the principal's office, home economics room and the athletic supply office.

The thieves were interested only in money, Mr. Boyer believed since nothing was disturbed in the other three rooms.

Entrance was gained through several smashed windows, it was indicated. Deputies Fred M. Lewis and C. P. MaHanna investigated.

Annual Field Trials Attract Many Dogs

The annual con dog trial, sponsored by the Greene County Fish and Game association was held Sunday afternoon.

Recalls First Rural Route Established

The passing of Oct. 2 brings back memories of yesteryear to W. A. Spencer.

For it was on that date in 1901, 46 years ago, that the first rural routes were established from the Cedarville postoffice. On that date, Mr. Spencer with horse and wagon left the local postoffice on his first trip along with the carriers on the two other routes, H. M. Stormont and Oscar Satterfield.

Things were vastly different than today in those early days of the 20th century for postal employees. He had to furnish the horse and wagon. The yearly wage was \$500. And there were no holidays except Sundays.

More Buildings Being Erected On Campus

Work on a new dormitory that will house seventy students is near completion at the College. With a greater enrollment than last year, the school will use the building to relieve present crowded conditions.

Since registration day, September 8, men students have been temporarily quartered in the new recreation hall, one of the four structures being added to the college. Two buildings for the use of the expanding science department are being moved from Patterson Field to the campus.

The dormitory will have few of the features of its former use as an army barracks. Divisions are being installed that will allow ample space for two students in each of thirty-five rooms. In addition there will be a recreation room. The two-story building is 117 feet long, 30 wide.

Like the dormitory, the three other buildings are constructed in sections that make for easy movement and low re-building costs. The recreation hall is 75 by 25 feet and houses the college 'co-op' store as well as the large entertainment room for student use.

The science buildings are now being readied for transportation from Patterson Field. They are of the same dimensions as the recreation hall.

Big Reds Cinch Tie for Lead In League

The Big Reds of Cedarville high school cinched at least a tie for first place in the Greene county scholastic league as they downed Spring Valley on the local diamond Tuesday afternoon 8-1.

The locals now have won six games, five on the playing field and one forfeit. The forfeit was by Silvercreek last Friday.

The Big Reds can do no worse than a tie for the league pennant as Beaver has dropped a contest to Bellbrook. The locals meet Beaver, at Beaver, on Friday afternoon.

In the contest Tuesday afternoon with Valley, the Big Reds got off to a flying start in the last of the first with a run and added another in the third before Valley got to Grindle for a run. But then the locals staged a three run uprising in the fourth, added two more in the fifth and then another in the sixth.

Both teams hit safely four times, but four Valley errors aided the local cause. Grindle struck out nine and walked none in the contest while Williams, Roach and Paulkner were working on the hill for Valley.

With the Churches UNITED PRESBYTERIAN CHURCH

Ralph A. Jamieson, minister. Sabbath School 10 a. m. Supt. Arthur B. Evans. Preaching 11 a. m. This is World Wide Communion Sabbath, and we trust every member will accept Christ's invitation to meet Him at this service. Preaching service 11 a. m. We will observe the Holy Communion of the Lord's Supper on World Wide Communion day. Sermon will be Victory Through Faith by Dr. Bickett.

The young people will meet at 7:30 p. m.

Kennedy Infant Dies on Saturday

Burial of Janet Kathleen Kennedy, daughter of Mr. and Mrs. James Kennedy, near Cedarville, was made in Maassie's Creek Cemetery, near Cedarville, Monday morning. The baby died at birth at her parents' home Saturday evening.

Open House to Be Held at Phone Exchange

The telephone exchange on Grove street will be open for public visitation on Saturday, Oct. 4, from 2 p. m. to 8 p. m., according to an announcement by Clark W. Gray, commercial manager for the Ohio Bell Telephone company in this area. Telephone employees will act as guides, conducting visitors through the building and explaining the functions of the dial apparatus.

"Special invitations are being mailed to Ohio Bell subscribers," said Mr. Gray, "but all who are interested in seeing a telephone exchange in operation will be welcomed."

Mr. Gray pointed out that the Cedarville exchange has grown over 27 per cent in the two years since the end of the war in August, 1945. At that time there were 372 telephones served by the local office and since then the number of instruments in use here has increased to more than 475.

To handle this increased number of telephones, the Ohio Bell company installed approximately \$7,000 worth of central office equipment last year. An additional program scheduled to start next January and to be completed in March calls for installation of almost \$4,000 worth of central office equipment, and another similar installation, costing about \$3,000 will begin in June and be finished in August. These projects will provide for future growth of the Cedarville office.

Tickets for Halloween Show To Go on Sale

Tickets for the Halloween show which is to be given at the opera house on Saturday night, Oct. 25, and is being sponsored by the Progressive club will go on sale early next week by the members of the organization, it was announced by Roland Cahill, general chairman for the event.

Mr. Cahill stated that the program would get underway at the opera house at approximately 8 p. m. and would consist of a magic act, dancing act and A. E. Richards hypnotic act. The program will be about two hours long. There will be an intermission at 9 p. m. so that those in the opera house may attend the Business Men's association appreciation day treasure chest, which will be held in front of the building at that hour.

Mr. Cahill also stated that preceding the show at the opera house, the club would sponsor a Halloween parade with cash prizes to be awarded in five classes which will be announced later.

D. W. Barber Killed in Fall At Dayton

Private services for David Lawrence Barber, 53, Dayton, native of Cedarville, who was killed accidentally when he fell from the West Third street bridge, Dayton Tuesday morning, were held at the Neel funeral home, Xenia, Thursday at 3 p. m. Rev. J. Russell Dugan, pastor of the First United Presbyterian church, Xenia was in charge and burial was in Massie's Creek cemetery.

Mr. Barber, who had resided in Dayton several months, reportedly suffered a fractured skull and broken neck when he fell from an abutment of the bridge spanning the Miami river.

The son of the late Robert Benton and Kate Bratton Barber, he was born in Cedarville April 16, 1894 but had passed the greater part of his life in the Xenia community.

He is survived by his widow, Mrs. Hazel Barber, Xenia; three sons, Kenneth and James, Xenia, and Neal, Fort Wayne, Ind.; one grandchild, and two sisters, Mrs. Charles Coulter, near Cedarville, and Mrs. Oliver Jobe, Granville.

MEET JAMESTOWN

The Cedarville baseball team will meet Jamestown on the park diamond Sunday afternoon at 2 p. m. in the early fall has seen the

On the School Scene

By CLARA MOSSMAN

School is once again in full swing. All schedules are straightened out and the pupils have settled down to await the returns at the end of the first six weeks. No doubt after that date there will have to be more settling down!

The Juniors and Seniors are planning a dance to be held sometime in October. Present plans are to invite the four upper grades of high school and out siders.

Watch the birdie! Smile pretty now! These are the things the Senior class were thinking about when they went to Columbus, Thursday, to get their pictures taken.

Everyone was worrying for fear he had not worn the right thing, or that his hair would look a mess, or that he just would not be photogenic.

They left early Thursday morning and enjoyed a bumpy ride in the school bus. The pictures were all taken in the morning and the rest of the day was spent seeing the Administration Building and other points of interest.

Returning to Cedarville that evening, they discussed the events of the day, and all went home tired and happy.

A jolly gang of Freshmen and Sophomores journeyed to Bryan Park Friday evening for a weiner roast. After a beautiful repast of hot dogs and cokes, groups of "kids" explored the trails of endless adventure.

The climax of the evening was the search for the "lost parties" who weren't really lost at all, as they had decided to relieve the strain on the buses by walking up the big hill.

At last we were loaded on the buses and headed for home, after an evening of frolic and fun.

Mr. Boyer, Miss Mallow, Mr. Guthrie were chaperons.

Seventeen faculty members and their families enjoyed an indoor picnic and social get-together Monday evening, in the school cafeteria. Plans were made to hold the picnic at Bryan park, but due to unfavorable weather, the place of meeting was changed Monday.

An abundance of food, including hamburgers, baked beans, salads, and home-made cookies were served the guests, cafeteria style. Committee members were: Miss Hanna, chairman; Mrs. McClesney, Mr. Guthrie, and Miss Mallow.

Fourteen new members were initiated into the local F. H. A. Chapter on Tuesday. Beginning their first year in the chapter are: Dianna Brightman, Minnie Coates, Norma Coates, Susie Embry, Carol Huffman, Betty Milton, Juanita Peterson, Marilyn Stewart, Clara Sexton, and Joan Sheeley. Luncheon and a social meeting followed the formal initiation. The color scheme used for the tables was red and white.

Officers of the F. H. A. Chapter were elected last May. They are: President, Betty Spence; Vice-President, Joan Lister; Secretary, Betty Wiscup; Treasurer, Naomi Luse; Historian, Geneva Heathcook.

The F. H. A. and F. F. A. are working on their combined Fall Festival, which is to be held October 10 at the school. Much interest is aroused each year by this event.

"End Men" have been selected by Mrs. Foster for the school minstrel to be given in November. Roger Charles will be interlocutor and his assistants are: Henry Beattie, Douglas Cullies, Bill Fife, Cletus Fredericks, Jack Irvin and Bob Longabough. The "End Men" are working on their script now and the chorus is practicing.

Jackets Surprise Georgetown 11 With 13-13 Tie

On Thursday night, Sept. 25, 1947 Cedarville College traveled to Georgetown, Ky., for the Yellow Jackets second gridiron game of the season. The game got under way at 8 o'clock Ky. time, 9 o'clock Ohio time.

Cedarville kicked off and after many tries Georgetown was forced to punt and Cedarville started on the run. The Yellow Jackets were always in the Tigers end of the field. However the Jackets could not score in the first quarter and neither did the Tigers. Thus the first quarter ended with Cedarville 0, Georgetown 0.

At the opening of the second quarter the Yellow Jackets drove to the Tigers 33 yard line and on the fourth down Eldon Grothwohl, of Hamilton, Ohio took the ball and sprinted over for the Jackets first score. Don Barger, also of Hamilton, kicked the extra point splitting the uprights. Score: Cedarville 7—Georgetown 0. Cedarville kicked to Georgetown but after many attempts was again forced to punt. Georgetown aimed for the coffin corner but Ernest "Shorty" Foster, of Dunbar W. Va., playing the safety position, picked up the ball on the goal line and, with very good blocking on the part of his team mates, ran the full length of the field for the Jackets' second touch down. Don Barger, kicked for the extra point but this time the kick was no good. Thus Cedarville 13—Georgetown 0. Soon afterwards the second quarter ended. Score at half time: Cedarville 13—Georgetown 0.

Georgetown, after a number of passes in the third quarter forced their way down into Cedarville's territory. With a beautiful pass from quarter back Anderson to right end Scholl, Georgetown scored their first touch down. Von Lehman kicked the extra point which was no good. Score: Cedarville 13—Georgetown 6. The remaining part of the third quarter found both teams trying to score but the quarter ended.

Both teams endeavored to score in the fourth quarter. Later in the fourth period, again after many passes Georgetown's quarter back Anderson flipped another pass to end Scholl for the Tigers second touch down. Mar-ton came into the ball game to kick the extra point which split the uprights. Score: Cedarville 13 Georgetown 13.

Both teams worked hard the remaining time of the fourth quarter to break the tie, but the game ended with Cedarville in possession of the ball. The final score: Cedarville 13—Georgetown 13.

Thus the Yellow Jackets of Cedarville, Ohio upset the Tigers, of Georgetown, Ky, hopes for a victory.

After a 51-0 defeat handed the Yellow Jackets by Findlay, Ohio, the Cedarville boys are looking forward to a successful season.

Cedarville Woman's Mother Is Dead

Requiem mass for Mrs. Lillian Rackel, 67, wife of Henry Rackel, who died at her home, 129 Potomac street, Dayton, Sunday after an illness of three weeks was sung at St. Mary's Catholic church, Dayton, Wednesday at 8:30 a. m. Burial was in Calvary cemetery, Dayton.

Mrs. Rackel, mother of Mrs. Theresa Sparrow, Cedarville, was born in Dayton and had passed her entire life there. She also leaves a half-sister, Mrs. Louise Swart, Dayton, and five grandchildren.

Crib UP TO 700 BUSHELS OR MORE FROM each BUSHEL OF PIONEER SEED!

SO MUCH DEPENDS ON EACH BUSHEL OF SEED CORN . . . IT PAYS TO PLANT THE BEST.

One bushel of Pioneer seed corn usually produces from 400 to 700 bushels of crop, figured at 60 to 100 bushels per acre on seven acres. Just a LITTLE extra yield per acre from each bushel of seed corn planted accumulates surprisingly MANY dollars profit. Superior quality Pioneer comes up strong in the spring, stands the torments of weather and delivers tremendous yields.

See us for good seed corn:

Representative

Lauris B. Straley

Cedarville R. R. 2

THIS YEAR
cure soft corn electrically
IN THE CRIB

Forced-air ventilation prevents loss . . . saves soft corn without delaying wheat planting

Proper conditioning of this year's late corn crop presents a serious problem to every farmer. Agricultural engineers recommend the following methods of handling, storing and using corn of high-moisture content:

1. Ensiling both fodder and shelled corn
2. Sorting and early feeding of soft corn to hogs or other livestock
3. Delayed harvesting to allow drying of ear corn in the fields
4. Clean husking to eliminate trash that reduces ventilation in the crib
5. Use of screens on the elevator to screen out shelled corn, silk or other trash
6. Good distribution in the crib to avoid pockets of shelled corn and debris where spoilage is most likely to start
7. Storage of corn of highest moisture

content in the narrowest cribs to facilitate natural ventilation

8. Use of adequate ventilators in cribs
Early picking and mechanical curing in the crib with an electric blower is the best answer when wheat-planting season finds corn still too soft for ordinary handling.

An air volume of 5 to 10 cu. ft. per minute per bushel, with the fan operated only on clear days when the temperature is above 50 degrees and the relative humidity is 65% or lower, gives the best results. In extreme cases of unusually high moisture content and persisting unfavorable weather, mechanical ventilation with heated air is a decided advantage.

For additional information on electric corn drying, see your County Agent or Vocational Agriculture Teacher. Ask the Farm Representative of The Dayton Power and Light Company serving your neighborhood for complete circular on soft corn curing.

What's new in Typing II? Listen closely and you shall hear—
 "You need one or two more mistakes on this letter to make it right." This is no joke! All students of Typing II class had the new experience this year of making six letters, ranging from number "Six" which is perfect and down to number "One," which has therefore equal to an "A" grade, many mistakes and is equal to an "F" grade. This was a new idea suggested by the state committee on commercial standards to help students to recognize marketable letters sent out of the business office. Six letters from the class were selected and placed on the bulletin board to serve as the standard Quality Chart for use in grading typing exercises throughout the year.

We would like to call attention to omission of the By-line in the first issue. Beverly Carzoo was the editor of that issue.

Cedarville fans hope that the "Big Reds" match performance with apparel" on the basketball court.

Cedarville "Big Reds" added another victory to their record of six wins in a row, with a score of 8 to 1 over their Spring Valley opponents on the home diamond, Tuesday afternoon. Grindle, local pitcher, held the visiting lads down to three hits.

The Spring Valley boys have lost two games in the league standing this fall, yielding to Beaver on an earlier match.

FBI Captures Gayles and Girl In New Orleans

Clifford Gayles, 35-year-old paroled Xenia knife-slayer, was held by New Orleans FBI agents in connection with a brutal "one-man crime wave" starting near Wilberforce Labor day week-end. FBI Agent Percy Wyly said Gayles was sought in connection with two slayings, a rape, the wounding of two persons and theft of three automobiles.

Following a conference in Hamilton on Wednesday, Greene County Prosecutor Marcus Shoup announced that Gayles would be returned to Butler county for the first prosecution. Prosecutor Shoup had conferred with the Butler county officials in Hamilton.

Arrested with Gayles in New Orleans Tuesday night was 17-year-old Ada Davidson, of near Wilberforce.

sert and coffee. The program subject will be Harvest time.
